Warranty Coverage

This warranty template describes proposed coverage for eligible manufacturing defects in the motor, electrical components, and other functional parts. Repair or replacement, where applicable, is subject to inspection and the manufacturer's warranty terms.

Warranty Terms & Conditions

1. The warranty period begins on the original purchase date and requires a valid purchase invoice.

2. Warranty claims are subject to inspection and approval by the manufacturer or authorised service provider.

3. Physical damage, improper installation, misuse, unauthorised repairs, and normal wear and tear may be excluded.

4. Cleaning and maintenance must follow the manufacturer's instructions.

5. Customers should contact the manufacturer's authorised support team to request warranty service.

IMPORTANT — DRAFT TEMPLATE
The warranty durations and coverage above are placeholders, not verified manufacturer terms. Confirm the exact product brand/model, warranty duration, motor coverage, exclusions, and service process against the official warranty card before publishing or providing this document to a customer.

For warranty service, retain the purchase invoice and contact the authorised service provider.
